My Family Tradition

Dear Families,

We are learning about traditions, cultures, and identities in our classroom and would love your help with a special project! Please take some time to talk with your child about one tradition (holiday, ceremony, activity, celebration) your family celebrates. This can be any tradition that is meaningful to your family, big or small!

Together, you and your child will complete the attached page to help them share their tradition with the class. You are welcome to include:

- Drawings
- Writing (adult or child)
- Photos or stickers
- Small, safe artifacts (like a recipe card, a holiday decoration, or fabric)

Please help your child write or draw about:

- What the tradition is?
- Why it is special or important to your family?
- What values, beliefs, or feelings are connected to this tradition?
- How long has this tradition been a part of your family?

This project helps us learn to:

- Respect and appreciate different cultures and traditions
- Understand our own identity and what makes us unique
- Celebrate the diverse community in our classroom

Please return your completed page by _____, so we can begin sharing and celebrating our special traditions together!

Thank you for helping us learn about the beautiful traditions that make each of us who we are.

Sincerely,

My Family Tradition
