needs

What we must have to live and be healthy.
A person needs food, water and shelter.

fairness

Everyone has what they need and so they have equal opportunities.
Fairness means we all get what we need to learn and play.

wants

Things you would like to have, but you don't need to survive.
A toy is something I want, not something I need.

Kindergarten - Systems

Name: _____

Areas for Improvement	Criteria Standards	Evidence of Meeting or Excelling Standards
L.O. 3 – Children explore needs and wants.		
	Differentiate between needs and wants.	
	• I can choose three things I need to survive: one to drink, one healthy food to eat, and one thing for shelter. • I can choose one thing that helps me or someone I know with a unique need stay safe or healthy. • I can choose one thing I want for fun.	
	Explain ways to meet personal needs and wants.	
	• I can provide a reason why each item helps me meet a need. • I can explain how the unique needs item I choose helps meet a unique need.	
	Provide reasons for personal wants.	
	• I can tell why my want item is my choice and why it makes me happy.

5.0 Hiking Backpack Single-Point Rubric

Teacher Look Fors

Kindergarten - Systems

Criteria Standards for this Performance Task
• I can choose three things I need to survive: one to drink, one healthy food to eat, and one thing for shelter. • I can tell why each item helps me meet a need. *Look for:* ✓ *Student chooses **three items** that clearly **meet survival needs**: water, healthy food, and shelter.* ✓ *Student **explains** or shows understanding of **why each item is necessary** for staying alive or safe.* ✓ *Items are **glued in the main compartment** of the backpack appropriately.*
• I can choose one thing I want for fun. • I can tell why this item is my choice and why it makes me happy. *Look for :* ✓ Student chooses **one item for fun** that is not needed to survive. ✓ Student can **explain why it is a want** and why it makes them happy. ✓ Item is **glued on top of the heart on the backpack** (distinct from needs).
• I can choose one thing that helps me or someone I know stay safe or healthy. • I can explain how this item helps meet that unique need. *Look for :* ✓ *Student selects **one item** that **meets a unique need**. Either for themselves or someone they know.* ✓ *Student can **explain how it helps that person** stay safe or healthy.* ✓ *Item is **glued in the small front pocket of the backpack**.*
