L.O. 3 – Children explore needs and wants.		
	Differentiate between needs and wants.	
	• I can choose three things I need to survive: one to drink, one healthy food to eat, and one thing for shelter. • I can choose one thing that helps me or someone I know with a unique need stay safe or healthy. • I can choose one thing I want for fun.	
	Explain ways to meet personal needs and wants.	
	• I can provide a reason why each item helps me meet a need. • I can explain how the unique needs item I choose helps meet a unique need.	
	Provide reasons for personal wants.	
	• I can tell why my want item is my choice and why it makes me happy.
